**NON—G.M.O. CERTIFICATE**

To Whom It May Concern:

This is to certify that the following products produced by Hilton Soy Foods are a minimum of 99% free of any genetically modified (GMO) materials:

All Soy products where the ingredient list has “soybeans” as the only ingredient produced by Hilton Soy Foods are produced from seed that does not contain any genetic material of non-soybean origin. The soybeans were planted, harvested, transported, stored, conditioned and packaged in such a manner so as to minimize the risk of contamination from other soybean varieties.

All other products produced by Hilton Soy Foods also contain Non-GMO soybeans as stated above, but other ingredients added or used during manufacturing may not be free of GMO.

Sincerely,

A handwritten signature in black ink that reads "Scott Mahon".
